Description: Of the forty-four presidents who have led the United States, nine made mistakes that permanently scarred the nation. Which nine? Brion McClanahan, author of *The Politically Incorrect Guide to the Founding Fathers* and *The Founding Fathers Guide to the Constitution*, will surprise readers with his list, which he supports with exhaustive and entertaining...

Review: Historian Brion McClanahan has produced an easily accessible, well developed argument about the out of control power of the Presidency. Rather than go down the well trodden path taken by most historians, preferring presidents who expand the power of the presidency, McClanahan uses the oath of office as his yardstick. Unlike you might expect, McClanahan...
